A sunset over a body of water with two people in a boat. The sun is low on the horizon, creating a warm orange and yellow glow that reflects on the water. Two silhouetted figures are in a small boat in the middle ground, one standing and one sitting. The text is overlaid on the left side of the image.

It`s borderless, infinite, expanded  
is a bridge over the lagoons of consciousness  
connects absences and presences, past and present  
is a catalyst of emotions  
activates all the senses and dilutes the pain  
soothes the mind and vibrates with the soul  
is an act of love to yourself and to your loved ones
